

WEDDING WORKSHEET

DJ Lox, a true master of his craft, has the experience and professionalism to create atmospheres ranging from utter sophistication and elegance to festive and high energy. Please allow a few questions for us to get to know you a bit better and turn your wedding into a memorable event.

We very much appreciate your musical wishes and contributions, but please don't feel pressured to come up with a full list of song requests. As a rule, we don't play 'gimmicky' songs such as Macarena, Chicken Dance, etc., unless requested by the bride and groom.

OPEN DANCING

Approximately 2 hours. Songs average 4 minutes, which means that the song list must entertain guests across generations with around 30 songs. Only a professional DJ can consistently accomplish such a feat. Effectively reading the crowd and coordinating all festivities with confidence comes only with experience and professionalism. When choosing your music, please keep in mind that there is a limited amount of time and usually a wide range of age groups and tastes at your event. Our goal is to please you! Help us enhance your event by focusing on specific request, dedications, and music preferences that are MOST important to you. It is also helpful to list any songs or artists that you DO NOT want to hear.
